

CONDITIONS FOR PHOTOGRAPHY AND FILMING ON MAINAU ISLAND AND THE AREA OF ST. KATHARINA

(May 2019)

The following conditions apply for taking photographs and shooting film material on Mainau Island.

I. GENERAL CONDITIONS

- Interviews with members of the Bernadotte family and also Mainau GmbH employees including employees of organizations affiliated with Mainau GmbH are only allowed with prior written permission from Mainau GmbH's press office/marketing department. Photographic and film material shot during such an interview may only be used for the editorial piece or editorial purposes as part of the film production as pre-agreed by Mainau GmbH's press office/marketing department.
- The respective photographer or producer is responsible for securing all rights including those of third parties (e.g. copyrights and personal rights).
- Changes to the locality are not permitted. Exceptions to this are small portable items (e.g. mobile signs, small flower pots). The photographer or producer assures that he/she will return things to their original state after completion of the work.
- Photography and filming is only permitted in areas open to visitors. Taking photographs and shooting films of and in the company's depots and other areas, not open to visitors, is strictly prohibited.
- Emergencies: In an emergency, please call +49 7531 303 200.
- Appropriate behaviour on Mainau island: For vehicles access to the island is only possible with prior permission from Mainau GmbH's press office/marketing department. General traffic rules and regulations apply to Mainau island with a speed limit of 30 km/h. Driving around the park in vehicles is not permitted. Vehicles may only be parked in the parking areas. Leaving pathways and entering flowerbeds is forbidden. Unsafe behaviour (e.g. climbing walls and the like) is not allowed. Cordoning off areas is strictly prohibited and only permitted in exceptional cases with the prior consent of Mainau GmbH's press office/marketing department.
- Using drones and other aerial devices and also taking photographs/shooting films with such equipment is not permitted on Mainau Island.
- The park rules for Mainau island have to be respected.

II. CREATING PHOTO MATERIAL

The following conditions apply in addition to those listed in point I.

- Photography is permitted when the images are for private use only.

- Photography is permitted when the images are used in conjunction with an editorial article published about Mainau Island. Please consult the press office and send us specimen copies.
- The use of images for commercial purposes (calendars, post cards, catalogues, book projects etc.) and photographing models as well as products brought along (e.g. for product tests, product presentations) is not permitted.

III. CREATING FILM MATERIAL

Filming on Mainau Island, including the production of music videos, other than for private use, is only allowed if the producer obtains prior written permission for filming from Mainau GmbH's press office/marketing department. The following conditions apply in addition to those listed in point 1.:

- The material created may only be used for editorial purposes in conjunction with an editorial contribution to Mainau Island. The use of film material for commercial purposes (advertising, sales products etc.) is forbidden. Film shoots with actors and models as well as filming products brought along (e.g. for product tests, product presentations) is not permitted.
- The producer may record short interviews with passing visitors about their stay on the island; providing that the person gives his/her consent. It is urged to refrain from asking visitors about other topics such as religion, politics and the like.
